

8TH FADS WORLD CONGRESS - 2024

27th September - 29th September

CONFERENCE THEME :

Advance Aesthetic Dermatology
in Daily Practice

CONFERENCE HIGHLIGHTS

- **CADAVER DISSECTION LIVE WORKSHOP**
- **MASTER CLASS & VIDEO LECTURES BY NATIONAL AND INTERNATIONAL FACULTIES**
- **LASER & EBD MASTERCLASS WITH MICROBLADING & MICROPIGMENTATION**
- **HANDS ON WORKSHOP - FILLERS, BOTULINUM TOXIN & THREADS**
- **NATIONAL AND INTERNATIONAL 1000 ABOVE PARTICIPANTS WOULD TAKE PART AS A DELEGATES AND FACULTIES.**

Scientific Partners

Venue Le Meridien, New Delhi

TOP FIVE REASONS TO ATTEND 8th FADS World Congress 2024

Join us in New Delhi to SPARK new ideas, connections and new opportunities that will ignite your professional journey in the field of Aesthetic Dermatology/Medicine.

S P A R K

STAY INFORMED AND INSPIRED

S

Stay informed about the latest research, advancements, and best practices. Get inspired by the thought-provoking presentations and discussions that will ignite your passion for aesthetics.

PROFESSIONAL GROWTH OPPORTUNITIES

P

Expand your knowledge, skills, and professional network, Foster collaborations, gain new perspectives, and unlock opportunities for personal and professional growth

ACCESS TO CUTTING-EDGE EXHIBITS

A

Explore the captivating exhibition showcasing cutting edge products, technologies, and services. Discover new tools to elevate your expertise.

REVEL IN NETWORKING

R

Connect with like-minded professionals, industry influencers, and thought leaders from around the globe. Expand your professional network and cultivate long lasting connections.

KNOWLEDGE EXCHANGE

K

Engage in knowledge-sharing sessions, panel discussions, and interactive forums. Contribute to the collective wisdom of the aesthetics medicine community and foster a culture of collaborative learning

Dr. Ramanjit Singh

MBBS,MD (Dermatology)

Dermatologist and Aesthetic Laser Surgeon

Org. President (FADS)

Senior Consultant Dermatologist

Medanta - The Medicity Hospital, Gurgaon

Dear Friends,

FADS is the longest running and most established medical Aesthetic Dermatology conference and hands on workshop devoted to non-surgical aesthetics in India. It is the only conference in India and one of the only ones in the world to have in depth agenda focused on core segment of the non-surgical Facial Aesthetics. This allows practitioners to receive high level scientific content from eminent experts in their relative field of expertise.

The expert panel comprising of speakers from India and globally provide a high level agenda on a variety of topics including : Injectables, threads, skin peels, equipments ,hair and many more.

The academic programme is designed to bridge the gap between the current level of academic training and the pioneering advancements that are constantly arising within the aesthetics and dermatology fields.

Through the plenary sessions, live demonstrations and tutorials the experts will present latest clinical and scientific advances and offer practical lifehacks to effectively sharpen your skills and acquire new ones.

You will have an incredible opportunity not only to gain valuable knowledge from eminent speakers and workshop injectors invited from all over the world but also to explore the culture, nature and tradition of New Delhi.

Besides the formal meetings, we are looking to provide our guests with an unforgettable experience after a hard day's work. It will be our pleasure to invite the participants to the Gala Dinner.

Dr. Jyotirmay Bharti

MBBS, DDV (Dermatology)

Dermatologist and Aesthetic Laser Surgeon

Vice President (FADS)

Director of Square Roots Skin Laser

& Aesthetic Clinic

Gurugram Haryana

Dear Friends,

It is indeed a privilege to be the Vice president of FADS. It gives me a great pleasure to welcome you all to the 8th FADS world congress at New Delhi 2024.

FADS is a unique organization of Aesthetic Dermatologists and Plastic Surgeons in India.

It is good to encourage and inspire young Dermatologists and plastic surgeons, such as residents, fellows and early practitioners in area of aesthetic practice.

At present there may be more than 100 small group societies on Aesthetics in India and almost 1-2 random workshops on "Botulinum toxin" and "Fillers" are being held every week in different parts of the country. It is obvious that a Dermatologist seeking out high-quality scientifically rooted learning is today standing at cross-roads unable to decide where and how to learn and train! Well, all we can say is that unlike other societies that are mushrooming every now and then with the sole intent of monetary gains, FADS is totally different and unique in its objective, team and execution.

Instead of teaching "Toxin" and "Fillers", the highly devoted and experienced experts of team FADS gave shape to the Society on the basic premise of REGIONAL AESTHETICS for the face. That's why our highly focused Hands-on workshops, with unparalleled enthusiasm, compared to the almost extortionate registration costing of other "similar" events, despite all odds.

The registration fees at FADS conferences is strictly regulated to the bare minimum. Not only is our objective purely academic, our team also understands the monetary predicament of our colleagues, especially the younger dermatologists in their incubation period of independent career development. For us, your satisfaction and confidence gained after the workshop is the biggest return for any investment.

"Live Light. Spread Light. Laser Light. Be the Light."

Eagerly looking forward to welcoming you all in 8th FADS world congress at New Delhi.

Dr. T. A. Rana

MBBS, MD (Dermatology)

Dermatologist and Aesthetic Laser Surgeon

Scientific Director (FADS)

Consultant Dermatologist

Sri Ram Hospital & Heart Institute, New Delhi

Director : Skin Laser Institute Noida.

Dear Friends,

It is indeed a privilege to be the Scientific Director of Face Aesthetic Dermatologists Society (FADS). It gives me great pleasure to welcome you all to the 8th FADS Congress and Hands-on-Workshop on Facial Enhancement & Aesthetics (Non-Surgical), organised by Face Aesthetic Dermatologists Society (FADS) on 27 th Sept.- 29th Sept. 2024 at New Delhi.

It is an excellent opportunity to exchange knowledge & strike friendship. I am confident that it will provide a rewarding experience in the speciality and well beyond.

I hope you will make the most of this scientific platform to interact with peers and you will apply your skills to serve society to the best of your abilities.

On behalf of the FADS , I welcome you all to this unique academic feast.

Dr. Viral Desai

MBBS, MS, MCH (Plastic and Aesthetic Surgeon)

Org. & Scientific chair (FADS)

Sr. Consultant Plastic & Aesthetic Surgeon

Mumbai

Dear Friends,

In India FADS has emerged as an ideal platform for aspiring Dermatologists and fellow Doctors as a way forward to strengthen their grip in cosmetology and Facial Aesthetics.

Our past endeavour and Hand-on-workshop Conference has been a huge success with Dermatologists around the country. Our strength in delivering the best to our participants has grown exponentially and FADS has a reputation in organising hands-on-workshops where dermatologists are trained to perform solo in their clinical day to day practice.

FADS 2024 will be an ideal platform not only to learn and explore what is new in Face Rejuvenation but an ideal stage to share experience, stimulate ideas and extend networking opportunities with Fellow Doctors and pharma companies.

This year the 8th FADS world congress Hands-on-Workshop on Facial Enhancement & Aesthetics (NonSurgical) of FADS will be featuring highly encouraging, interactive, multidisciplinary approach with world renowned National and International faculty on Face Aesthetics.

"An artist's concern is to capture beauty wherever he finds it"

We welcome you all to be part of FADS 2024 world congress Hands-on-Workshop at New Delhi.

Dr. Sukhbir Singh

MBBS, MS, MCH (Plastic and Aesthetic Surgeon)

Org. & Scientific chair (FADS)

Sr. Consultant Plastic & Aesthetic Surgeon

Dear Friends,

It is indeed a privilege to be the Organising & Scientific Chairperson of FADS 2024, New Delhi. It gives me a great pleasure to welcome you all for the 8th FADS world Congress & Hand-on-Workshop on Non-Surgical Facial Enhancement & Aesthetic on the 27 th Sept.- 29th Sept. 2024 at New Delhi.

I am happy to note that the Facial Aesthetic Dermatologists Society has taken a great step in providing an excellent platform for an interdisciplinary and focused approach to Facial aesthetics.

It is an excellent opportunity to exchange knowledge & strike friendship. I am sure that it will provide a rewarding experience in the speciality and well beyond.

Our Organizing team has strived hard work to make this congress unique, grand, educational and enthrilling experience.

“The problem with being the strongest one is that no one offers you a hand”

On behalf of the FADS let me welcome you in New Delhi.

Dr. Dinesh Mathur

Pro Vice Chancellor Rajasthan
University of Health Sciences
Jaipur

The aesthetic is a concept from the philosophy of art according to which the perception of beauty occurs by means of a special process. There is neurophysiological evidence of the effects of facial ratios on facial attractiveness suggesting a notable gender difference in perceiving facial attractiveness as induced by facial proportions. FADS has taken initiative to develop this branch and has come out with 8th FADS Congress hands on workshop on Facial Enhancement & Aesthetics (Non-Surgical) through Dermal Fillers, Botulinum Toxin, Threads & Advance Technology of Dermatology. I wish the organizing team a great success to the conference.

FADS has been a pioneer in teaching young budding Dermatologist & Plastic Surgeons in the field of facial aesthetics and is doing a commendable job for the same.

The conference is a great platform to learn basics to advances in aesthetics through lectures, Video demonstrations, panel discussions, workshops under one roof.

I heartily congratulate Team FADS 2024 for a successful conference.

Best Wishes.

Dr. S N Bhattacharya

Ex-Director principal
BSAMCH- New Delhi

Dr. Kaushal Kr. Verma

Professor, Dept of Dermatology,
Venereology, AIIMS, New Delhi

I am glad to know that the Face Aesthetic Dermatologist Society (FADS) is organising its 8th FADS Congress hands on workshop on Facial Enhancement & Aesthetics (Non-Surgical) through Dermal Fillers & Botulinum Toxin on 27th September to 29th September 2024. Aesthetic Dermatology has become an important component of Dermatological care and providing such care to meet the desired expectations requires expertise, skill and advanced knowledge in the area. FADS is providing such platform to Dermatologists engaged in Aesthetic Dermatology practice and this conference offers a great opportunity to update, share and learn latest in the area.

I wish the conference a great success.

Best wishes.

Positive thinking leading to positive action, that's what gave FADS 2016 to 2024 the very commendable reaction.

I would like to start by congratulating Dr. Rana and his team for such a great initiative.

Workshops like these are very valuable to build a strong foundation of Cosmetic Dermatology.

These workshops give the young dermatologists a much needed platform to pursue a career in Aesthetics. Wishing FADS 2024 a thumping Success.

SCIENTIFIC PROGRAM OF 8TH FADS WORLD CONGRESS

28TH SEPTEMBER 2024

TIMINGS	TOPIC	SPEAKER / MODERATOR	CHAIRPERSON / PANELIST
8:00-9:00am	REGISTRATION		
9:00-10:00am	SESSION A : FACIAL ANATOMY		
	MAIN HALL : Master class & Live Video presentation		
	(i) Facial Analysis and anatomy for optimizing Injection - Live Video		
	(ii) Anatomy and video cadaver - Forehead, Temple and Periorbital		
	(iii) Anatomy and video cadaver - Midface, Nose and Lips		
	(iv) Anatomy and video cadaver - Jawline and Chin		
10:30-11:00am	SESSION B : INJECTABLES MASTER CLASS		
	(i) Case study: personalised assessment and treatment plans		
	(ii) Latest & advance in dermal filler treatment - Live Video		
	(iii) Novel Neurotoxin treatment for Facial Rejuvenation - Live Video		
	(iv) Dissolving a filler with hyaluronidase - Live Video		
	(v) The psychology of beauty - Injectables		
	LAMP LIGHTNING AND CHIEF GUEST FELICITATION		
12:00-1:30pm	SESSION C : TECHNIQUES OF INJECTABLES - MASTER CLASS		
	TECHNIQUES OF INJECTABLES-MASTER CLASS		
	(i) Injection Techniques to Rejuvenate entire Face - Live Video		
	(ii) New Techniques in Aesthetic Medicine & Future Direction		
	(iii) Combination therapies in Aesthetic medicine - Safety and Complications		

SCIENTIFIC PROGRAM OF 8TH FADS WORLD CONGRESS

TIMINGS	TOPIC	SPEAKER / MODERATOR	CHAIRPERSON / PANELIST
	(iv) Aesthetic Dermatology - Trends 2023		
	(v) Facial Rejuvenation - Holistic Approach		
	(vi) Medical imaging (US) - How can it Help Injectables : Video Demonstration		
	(vii) Panel Discussion		
1:30-2:00pm	LUNCH		
2:00-3:00pm SESSION D : INJECTABLES : COMPLICATIONS & MANAGEMENT			
	(i) Angioedema following HA Lip filler		
	(ii) Complications management of tear trough filler		
	(iii) Managing infections with injectables		
	(iv) Neurotoxin complications and management		
	(v) Panel Discussion		
3:00-5:00pm SESSION E : DUBAIDERMA SESSION REGENERATIVE MEDICINE			
	(i) Regenerative Aesthetics - introduction to soft tissue regeneration and Exosomes		
	(ii) Adipose - derived stem cells for facial rejuvenation		
	(iii) The science, limitations and future of exosomes in aesthetics		
Face contouring:			
	(i) Combining technologies for fat reduction, Skin tightening and muscle stimulation
